

## Mercedes-Benz CLS450 Coupé 4MATIC AMG

### DRAMATIC FOUR-DOOR STYLE.

With its sweeping roofline, arching belt line and low-profile side windows, the third-generation CLS Coupé echoes the iconic styling of its illustrious predecessors. There are striking new design elements too, including distinctive MULTIBEAM Intelligent Light System headlamps and a new-look radiator grille that widens at the base — a nod to the Panamericana grille first seen on the Mercedes-AMG GT supercar.

#### TECHNICAL INFORMATION

Engine	In-line 6-cylinder turbocharged
Displacement	2,999 cc
Propellant	Petrol
Power	367 hp (EQ Boost 22hp)
Max. Torque	500 Nm (EQ Boost 250Nm)
